Re: Progeny LMS, LLC Petition for Rulemaking to Amend Part 90
Of the Commission's Rules Governing Location and Monitoring
Service to Provide Greater Flexibility, RM-10403

Dear Ms. Dortch:

On Friday, October 18, on behalf of Itron, Inc. and of Inovonics Wireless Corporation, I had a brief telephone conversation with Richard J. Arsenault of the Wireless Bureau's Commercial Wireless Division to discuss Progeny's recent *ex parte* submissions in which Progeny indicated that it intends to file an interference analysis in the above-captioned proceeding. In addition, I summarized the separate positions of Itron and of Inovonics with respect to the Progeny petition for rulemaking. The Itron and Inovonics positions are set out fully, respectively, in the Itron pleadings and the Inovonics *ex parte* submission filed in this proceeding.

If there are any questions in this regard, please contact the undersigned.

Sincerely,

Henry Goldberg
Attorney for Itron, Inc.
